Capacity Release:
Create/Post Bid for a Biddable Offer

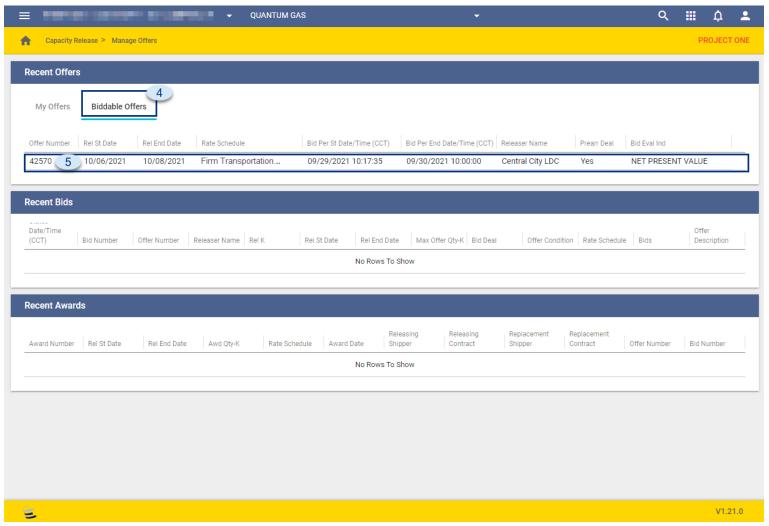

To Create and Post a Bid for a Biddable Offer or a Prearranged Biddable Offer when you are not the prearranged bidder, follow these steps.

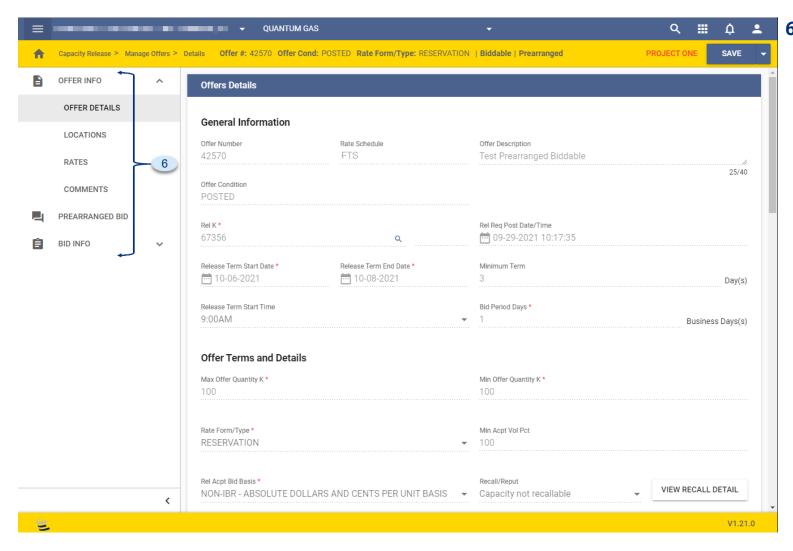

- 1. Select the **Customer Activities Menu** =.
- 2 & 3. Select Capacity Release and Offers/Bids/Awards.

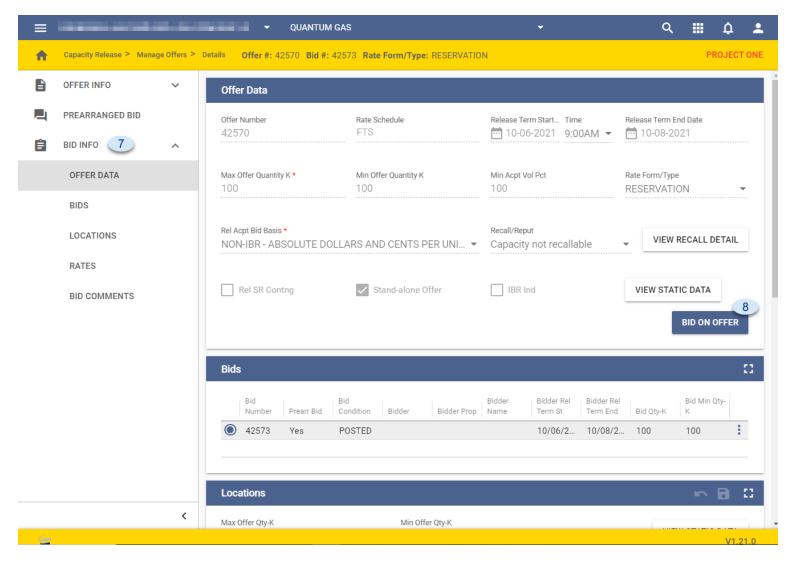

- On the Capacity Release > Manage Offers screen (Dashboard) click the Biddable Offers tab in the Recent Offers section.
- 5. The **Biddable Offers** section displays a list of Offers available for bid. **Click** an **Offer line-item** to access the details.

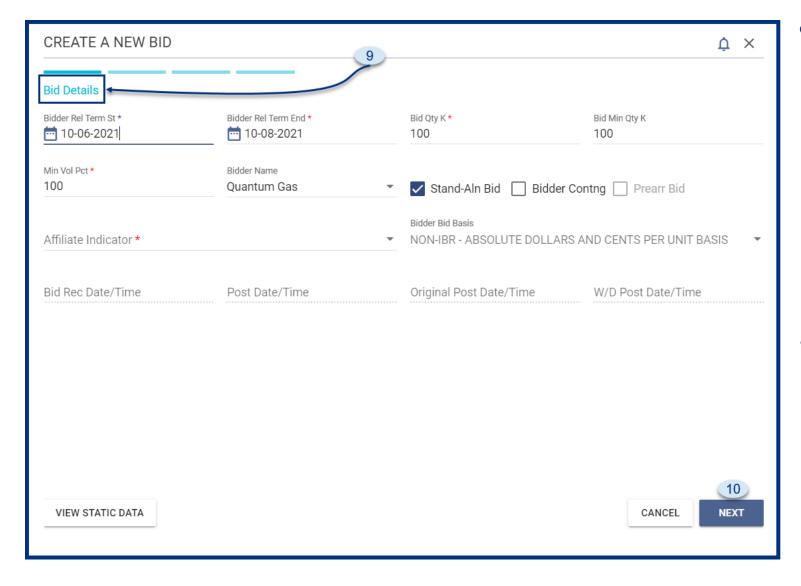

Once the Capacity Release > Manage Offers > Details screen opens, it will display information related to the Offer. Review this information prior to creating/posting a bid.

- 7. To **create a Bid**, navigate to the left sidebar menu and click **Bid Info**.
- 8. Click the button in the bottom-right of the Offer Data section.
 - This brings up the Create A New Bid Wizard, which walks through creating a Bid for the selected Offer.

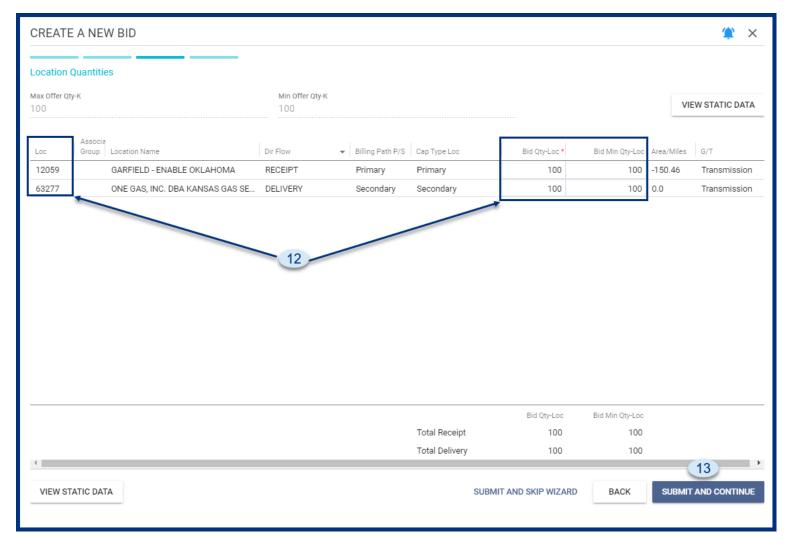

- On the Bid Details screen of the Create A New Bid Wizard, enter/update bid information.
 - a) If the Offer's Bid Qty K matches the Bid Min Qty K, these fields cannot be changed.
 - b) If the Offer's Bid Qty K does not match the Bid Min K, these fields can be changed.
 - c) Select a value for the **Affiliate Indicator** from the dropdown.
 - Note fields with a red asterisk are required.
- **10.** Click the button.

- **11.** Review your **Contact Information** and click the button.
 - This screen pulls in your contact information, since you are the person logged in and entering the **Bid**. You may change this, if needed.

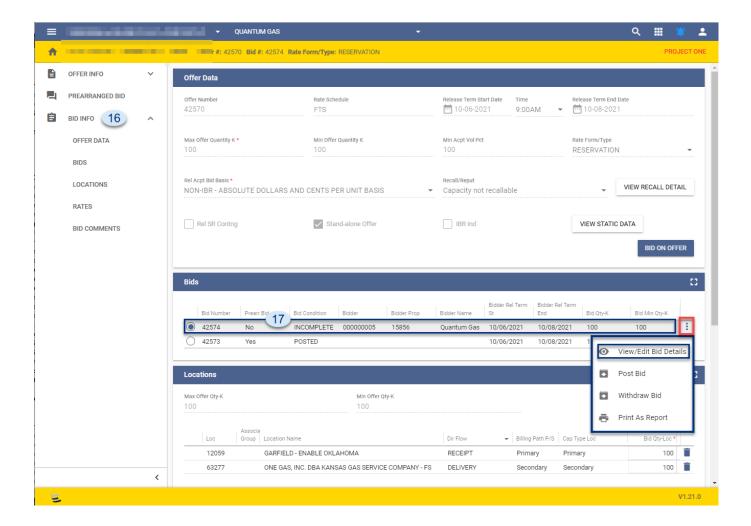

- **12.** On the **Locations Quantities** screen review the location and quantity information. Update the quantity fields if needed.
- **13.** Click the SUBMIT AND CONTINUE button.

- 14. Enter your Bid in the Rate Bid (\$) field.
 - Click the down arrow next to the Rate Bid (\$) field to display the Path Rate Detail.
- 15. Click the **SUBMIT AND REVIEW** button to review your **Bid prior to Posting** it.

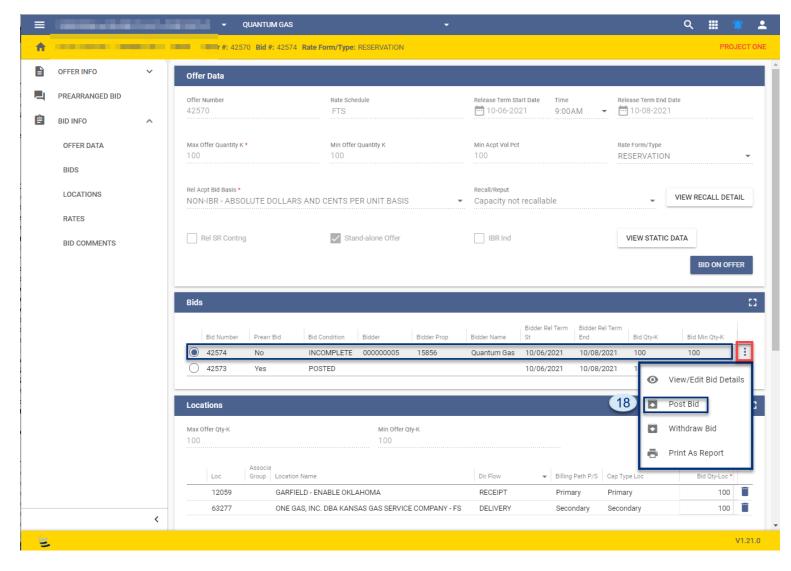

- 16. Once the Create A Bid Wizard is complete, the application returns to the Capacity Release > Manage Offers>Details>Bid Info screen for review.
- 17. Your newly created bid is located in the Bids section of the screen. It is automatically selected upon entry and has a Bid Condition of Incomplete.
- To make changes to your selected bid:
- a. Click the **vertical ellipsis** at the end of your bid line item and select **View Edit/Bid Details.**

NOTE: The contract bid quantities on the **View/Edit Bid Details** screen must match the location bid quantities on the **Bid Info > Locations** section.

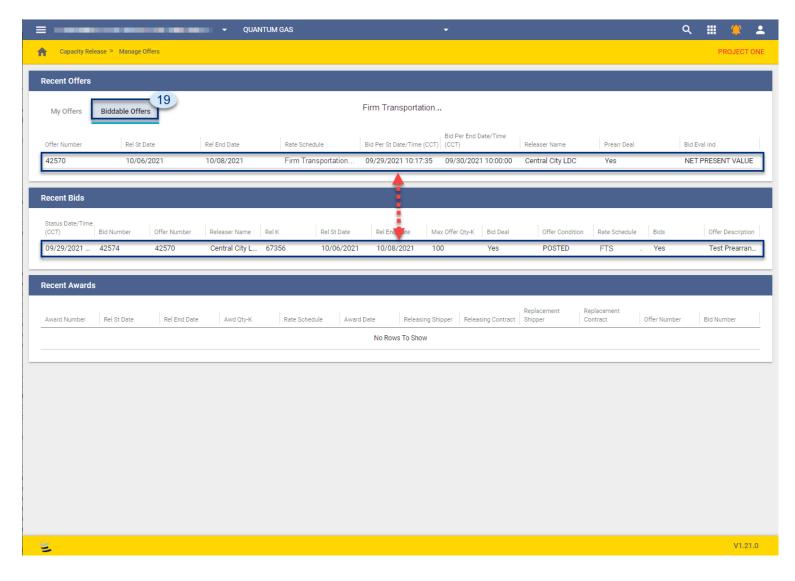

- b. Navigate to the **Bid Info > Locations** section to change a **bid location quantities**. Click the button located in the top right corner of this section to save any changes.
- c. Navigate to the **Bid Info > Rates** section to change your **bid** rate. Click the button located in the top right corner of this section to save any changes.

- **18.** To **Post your bid** click the vertical ellipsis button at end of your selected bid row and select from the drop-down list.
- A Warning message pops up to inform you that your bid posted. Click the Bell icon at the top of the screen for details.
- Note: Clicking the button also provides the ability to **Print As Report**.

- 19. The Offer and Bid will remain in the Recent Offers
 > Biddable Offers section and Recent Bids section of the Capacity Release > Manage Offers screen (Dashboard) until award time.
- **10** Your Bid will remain in a Status of Posted until the bid period ends. Other shippers will have a chance to bid on this offer until that time.
- Navigate to the **Awards Search** screen to identify the bid winner.
