Re: Enable Mississippi River Transmission, LLC
Docket No. RP23-_____
Housekeeping Filing

Dear Ms. Bose:

Enable Mississippi River Transmission, LLC ("MRT") hereby submits for filing with the Federal Energy Regulatory Commission ("Commission") the revised tariff records to its FERC NGA Gas Tariff, Third Revised Volume Filed Agreements ("Filed Agreements Tariff"), which are listed in Appendix A, proposed to become effective on October 26, 2023.

STATEMENT OF NATURE, REASONS AND BASIS

The purpose of this filing, made in accordance with the Section 154.204 of the Commission's Regulations, is to propose administrative housekeeping revisions to MRT's Filed Agreements Tariff. The changes proposed in this filing cancel tariff records related to expired or modified negotiated rate and non-conforming agreements.

First, MRT is cancelling several negotiated rate and non-conforming agreements that have expired but not been removed from its Filed Agreements Tariff. MRT is also removing agreements that have been modified such that they no longer are classified as negotiated rate agreements and/or no longer contain material deviations from the relevant Form of Service Agreement in MRT's Seventh Revised Volume No. 1 Tariff ("Volume No. 1 Tariff").

Second, effective June 1, 2023, MRT has transitioned negotiated rate agreements, which contain no material deviations from the relevant Form of Service Agreement in MRT's Volume No. 1 Tariff, from whole document format in its Filed Agreements Tariff to the summarized tariff record in its Volume No. 1 Tariff as described in Section 19.2 of the General Term and Conditions. Accordingly, the agreement with Summit Utilities Arkansas, Inc., TSA No. 448, under Rate Schedule FTS was amended effective September 1, 2023, and therefore transitioned from whole document format in MRT's Filed Agreements Tariff to the summarized tariff record in its Volume No. 1 Tariff.

Last, the Table of Contents is being updated to reflect the removal of the cancelled or transitioned tariff records.

IMPLEMENTATION AND WAIVER REQUEST

Pursuant to Section 154.7(a)(9) of the Commission's Regulations, MRT requests that the proposed tariff records submitted herewith be accepted effective October 26, 2023, without further action from MRT. Although MRT is unaware of any waivers which are required, MRT respectfully requests that the Commission waive any parts of its Regulations as may be required to accept this instant filing.

CONTENTS OF THE FILING

This filing is made in electronic format in compliance with Section 154.4 of the Commission's Regulations. In addition to the proposed tariff records in RTF form with metadata attached, the XML filing package contains:

- A transmittal letter with Appendix A in PDF format.
- A clean copy of the proposed tariff record in PDF format.
- A marked version of the proposed tariff changes in PDF format.
