

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff and shall constitute notice of Force Majeure under Section 8, GT&C of EGT's Tariff to notify all parties of unplanned maintenance at EGT's Allen Compressor Station located in Hughes County, Oklahoma and in EGT's West 2 Pooling Area. **The unplanned maintenance begins immediately, May 6<sup>th</sup>, 2026, and will continue until further notice.**

Based on current nominations, EGT anticipates that primary firm services nominated through Allen Compressor Station will be **scheduled to approximately 80-90% of MRO quantities** during the outage. EGT will be locking all nominations in the impacted area during the Evening Cycle of each impacted day.

Should any of the details of this unplanned maintenance change, EGT will notify its shippers by updating this posting. EGT will schedule nominations in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
