

NOTICE OF AVAILABLE ENABLE-MRT CAPACITY

March 28, 2023

Enable Mississippi River Transmission, LLC ("MRT") is providing notice of the availability of firm capacity. See the table and effective dates below.

Customers and potential Customers interested in obtaining available firm capacity should contact Mike Stoll at (636) 812-7121 mike.stoll@energytransfer.com

MRT will update this posting upon the award of any firm capacity and will continue to accept and review valid requests for any capacity that remains available, or becomes available in the future.

Incremental capacity may also be available between specific receipt and delivery points and/or along specific shorter haul paths. Contact Mike Stoll if you would like to discuss a specific path.
