New Information Posted 11/19/26:

The planned maintenance at EGT's Buckley Compressor Station has been canceled. Critical Notice #6618 is hereby terminated.

Previous Information Posted 11/10/26:

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify shippers of planned maintenance at EGT's Buckley Compressor Station located in Caddo Parish, Louisiana, and in EGT's South Pooling Area. The maintenance will begin **Wednesday, December 2nd, 2026**, with an anticipated completion date of **Friday, December 4th, 2026, at 09:00 AM**.

Secondary Firm and Interruptible shippers may experience impacts in the South Pooling Area, including Perryville deliveries. EGT does not anticipate impacts to its Primary Firm Services. However, unforeseen issues, including, but not limited to, nominations, weather conditions, storage needs, etc., may result in scheduling reductions. In the event that unforeseen issues do occur, EGT will evaluate nominations, on a case by case basis, based on daily operations to alleviate impacts to the extent possible. During this planned maintenance, Firm shippers should nominate from their contractual MRO location to reduce risk of scheduling reductions. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations on each impacted day in accordance with its Tariff. This alert will remain in effect until further notice.
