

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff and shall constitute notice of Force Majeure under Section 8, GT&C of EGT's Tariff to notify all parties of unplanned maintenance at EGT's Buckley Compressor Station located in Caddo Parish, Louisiana, and in EGT's South Pooling Area. The maintenance will begin **Tuesday August 19th, 2025**, with an expected completion date of **Thursday August 21st, 2025, at 09:00**.

EGT does not anticipate impacts to its Primary Firm Services. Secondary Firm and IT services in the South Pooling Area, including deliveries to Perryville, may be impacted.

Unforeseen issues, including, but not limited to, nominations, weather conditions, storage needs, etc., may result in scheduling reductions. In the event that unforeseen issues do occur, EGT will evaluate nominations, on a case by case basis, based on daily operations to alleviate impacts to the extent possible. During this planned maintenance, Firm shippers should nominate from their contractual MRO location to reduce risk of scheduling reductions. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations on each impacted day in accordance with its Tariff. This alert will remain in effect until further notice.

If you have any questions concerning this alert, please contact your Scheduling Representative.
