

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff and shall constitute notice of Force Majeure under Section 8, GT&C, of EGT's Tariff, to notify all parties of unplanned maintenance at EGT's Byars Lake Compressor Station located in McClain County, Oklahoma and in EGT's West-2 Pooling Area. The maintenance will begin **immediately, September 29th, 2026, and will continue until further notice.**

Based on today's current nominations, EGT anticipates impacts to secondary firm services nominated through Byars Compressor Station. Effective gas day 30, EGT anticipates that primary firm services nominated through Byars Compressor Station will be **scheduled to approximately 80-90% of MRO quantities** during the outage.

Should any of the details of this unplanned maintenance change, EGT will notify its shippers by updating this posting. EGT will schedule nominations in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
