EGT Balancing Alert #6327 is terminated effective immediately.

Previous Information Posted April 8th, 2026

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify shippers of unplanned maintenance at EGT's Delhi Compressor Station located in Richland Parish, Louisiana and in EGT's South Pooling Area. This unplanned maintenance will commence **Immediately** and continue until further notice. Based on current nominations, EGT expects impacts to Primary FT services.

During this time:

- EGT will be unable to deliver to Gulf Run Delhi Core Del (#291856).

Based on current nominations, EGT does anticipate impacts to its primary firm services. EGT will evaluate nominations, on a case by case basis, based on daily operations to alleviate impacts to the extent possible. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
