

AVAILABLE CAPACITY SUBJECT TO RIGHT OF FIRST REFUSAL

Enable Gas Transmission, LLC (EGT) is hereby soliciting binding bids for the following firm transportation (FT) capacity that is subject to a Right of First Refusal (ROFR).

Rate Schedule	Contract Demand (Dth/d)	Receipt Point(s) and/or Receipt Zone(s)	Delivery Point(s) and/or Delivery Zone(s)	Date Service Available	Minimum Term
FT	20,000	West 1 Pooling Area Points/Pools	South Pooling Area Points/Pools	03/01/2026	Not Specified

Bid Procedures:

1. Complete the binding request form, attached as Exhibit A to this notice.
2. Submit your completed binding bid to [CapacityBids@EnergyTransfer.com](mailto:CapacityBids@EnergyTransfer.com). The bid must contain the completed binding request form, or an email containing all the information required in the binding request form.
3. **Binding bids must be received by 12:00 p.m. Central Time (CT) on Friday, October 18, 2024.**
4. EGT reserves the right to reject any bid(s) that are less than max rate.
5. The best bid(s) shall generate the highest net present value, using a 10% discount factor, based on the rate bid, the applicable quantity and term or period bid upon.
6. After the bidding period has ended, EGT shall select the best bid from all valid bids submitted.
7. EGT shall then notify the shipper under the expiring FT service agreement (Existing Shipper) of the relevant terms of the best bid.
8. If Existing Shipper refuses to match the best bid, then the expiring FT service agreement shall terminate on its expiration date and the capacity will be awarded to the shipper(s) submitting the best bid(s). EGT will tender a service agreement(s) to the shipper(s) with the best bid(s), who must execute and return such transportation service agreement(s) to EGT within thirty (30) days of receipt from EGT.
9. Bidder(s) must meet the creditworthiness provisions of EGT's FERC Gas Tariff. Upon notification of best bid, winning bidder agrees to execute any required agreements and provide the appropriate credit assurance upon request by EGT. If a bidder fails to execute the required agreements or provide the appropriate security, EGT may award the capacity to another shipper in accordance with EGT's FERC Gas Tariff. Shipper(s) who meet the creditworthiness requirements of EGT's FERC Gas Tariff shall not be required to submit a deposit or prepayment pursuant to Sections 10 or 14, GT&C, of the Tariff.
10. For full details of EGT's ROFR procedures, see Section 21 of the General Terms and Conditions of EGT's FERC Gas Tariff.
