

New Information Posted 12/5/2024:

EGT received notification that Enable Oklahoma Intrastate Transmission (“EOIT”) has terminated their L21 Force Majeure event.

Critical Notice #5839 is hereby terminated, effective immediately.

Previous Information Posted 11/13/2024:

EGT received notification of a Force Majeure event from Enable Oklahoma Intrastate Transmission, LLC (“EOIT”) informing EGT that EOIT will not be able to carry out its obligations to EGT under the firm transportation agreements EGT holds on the EOIT system due to repairs/maintenance EOIT is performing on its pipeline L21. As a result of the EOIT Force Majeure notification, EGT is issuing this Operational Alert pursuant to Section 20, GT&C of EGT’s Tariff to inform shippers that the EOIT Force Majeure event constitutes an event of Force Majeure under Section 8, GT&C of EGT’s Tariff and to notify all parties that EGT is unable to transport gas to the following delivery points on EOIT:
