

New Information Posted February 21st, 2023

The unplanned maintenance on EGT's Line OM-1 will be completed Wednesday, February 22nd, 2023 by 9:00am to allow for Gas Day 22 nominations.

Previous Information Posted February 4th, 2023

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff and shall constitute notice of Force Majeure under Section 8, GT&C of EGT's Tariff, to notify all parties of unplanned maintenance on EGT's line OM-1, located in Northwest Arkansas in EGT's North Pooling Area, between the Turkey Farm and Winslow gate valve in Washington and Crawford Counties, Arkansas.

Effective on immediately and continuing until further notice, EGT will isolate the above section of line. During this time, all delivery locations north of the Winslow regulator will need to have supplies sourced from Southern Star @ Jane (MP # 805091). Non-ratable services will not be available during this time.

Delivery meters impacted:

801539	Southern Star @ Jane
808352	Black Hills AR @ OM-1
811005	Swepeco Harry Mattison

EGT will schedule receipts and deliveries in accordance with EGT's Tariff. This Operational Alert will remain in effect until further notice and will be updated as more information becomes available. If you have any questions concerning this Alert, please contact your Scheduling Representative.
