

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff, and shall constitute notice of Force Majeure under Section 8, GT&C, of EGT's Tariff to notify all parties of unplanned maintenance on EGT's Line S in the South Pooling area as a result of an integrity assessment.

Effective starting Friday, July 10th at 09:00 and continuing until further notice, EGT will not allow IT and Secondary services from EGT's West 1, West 2, Flex and North Pooling Areas to EGT's South Pooling Area. In addition, EGT will have limited ability to schedule receipt nominations from meters that are located on EGT's Line AC to delivery points or pools located in EGT's South Pooling Area. Meters include but are not limited to the following;

MP# 802267 MRT at Glendale

MP# 803500 NGPL at Hot Springs

EGT will not be capable of supporting non-ratable IT services in EGT's South Pooling area. Shippers with delivery points in EGT's South Pooling Area should nominate from their primary receipt point to their primary delivery point in order to maintain the highest priority level of service.

Failure to comply with this Force Majeure notice will result in an OFO.

EGT will notify its shippers of changes regarding its capacity to the South Pooling Area by updating this posting. EGT will continue to monitor capacity and will schedule receipts and deliveries in accordance with EGT's Tariff.

If you have any questions concerning this Alert, please contact your scheduling representative.
