This Operational Alert is being issued to advise shippers that EGT will begin accepting nominations effective today, July 3rd, 2022, for ID3 cycle at the following meter:

- NGPL @ Hot Springs – Meter 801662

EGT will continue monitor the system and update this post accordingly should more information become available.

Previous Information Posted 07/03/2022

This Operational Alert is being issued to advise shippers that due to gas quality issues, EGT will not be accepting nominations at the following meter effective immediately:

- NGPL @ Hot Springs – Meter 801662

Please note that EGT will endeavor to notify shippers as soon as possible of any changes regarding this event by updating this posting. We recognize the challenges associated with this issue and appreciate your cooperation and understanding. This Operational Alert will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions, please contact your Scheduling Representative.
