

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify shippers of maintenance at EGT's Hinton Compressor Station, located in Caddo County, Oklahoma and in EGT's West-1 Pooling Area. The maintenance will occur **Tuesday August 19th 2025** with an anticipated completion date of **Saturday August 23rd , 2025 at 09:00.**

During this maintenance, capacity through the Hinton Compressor Station will be limited to approximately **290,000 Dth/d**; point operators will experience higher pressure.

Based on current nominations, EGT anticipates impacts to all its services, including primary firm, which may be scheduled to approximately 70%-78% of MRO quantity.

EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
