

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify shippers of maintenance at EGT's Hinton Compressor Station, located in Caddo County, Oklahoma and in EGT's West-1 Pooling Area. The maintenance will occur **Tuesday, October 13th, 2026**, with an anticipated completion date of **Saturday, October 17th, 2026, at 09:00.**

During this maintenance, capacity through the Hinton Compressor Station will be limited to approximately **290,000 Dth/d**; point operators will experience higher pressure.

Based on current nominations, EGT anticipates impacts to all its services, including primary firm, which may be scheduled to approximately **70%-78% of MRO** quantity. EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
