This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify all parties of maintenance on a section of EGT's **KT-1 Line** located in EGT's South Pooling Area in Union County, Arkansas.

This unplanned maintenance will begin **September 8th, 2021** with an estimated completion date of **December 17th, 2021**.

Based on current nominations, EGT does not anticipate impacts to its services. However, unforeseen issues, including, but not limited to, nominations, weather conditions, storage needs, etc., may result in scheduling reductions. In the event that unforeseen issues do occur, EGT will evaluate nominations, on a case by case basis, based on daily operations to alleviate impacts to the extent possible. During this maintenance, shippers should nominate to their contractual MDO location to reduce risk of scheduling reductions.

Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
