

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line BT-1, located in EGT's North Pooling beginning **Tuesday, September 1st, 2026**, with an expected completion date of **Thursday, November 5th, 2026, at 9 AM**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line BT -1. EGT does not anticipate impacts to its Primary Firm Services. Secondary Firm and IT services may be impacted. Be advised, should a determination be made that a repair is necessary, there could be Primary Firm capacity reductions associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

This alert will be updated should more information become available throughout the series of digs.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
