

### **New Information Posted May 16<sup>th</sup>, 2025**

The repair on EGT's Line J have been completed. Critical Notice #5967 and #6009 are hereby terminated.

### **Previous Information Posted April 26<sup>th</sup>, 2025**

This Operational Alert is being issued to notify shippers that due to the location of one of the integrity inspections, the following points will be limited to a sum of 70,000 Dth/D, effective immediately:

- TGT @ Searcy (MP: 3125)
- TET @ Bald Knob (MP: 801641)

### **Previous Information Posted March 12<sup>th</sup>, 2025**

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line J beginning **Thursday April 24<sup>th</sup>, 2025**, with an expected completion date of Monday **May 19<sup>th</sup>, 2025, at 09:00**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line J. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

This alert will be updated should more information become available throughout the series of digs.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
