

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line JM-1 in the North Pooling Area beginning **Monday, April 20th, 2026, at 09:00**, with an expected completion date of **Sunday, June 21st, 2026, at 09:00**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line JM-1.

- TGT Helena (#801530) meter – also located in EGT's North Pooling area – may be limited to a net nomination of 70,000 Dth/d.
- TET Bald Knob (#801641) meter – also located in EGT's North Pooling area – may be limited to primary firm. EGT likely will be unable to support any secondary firm or interruptible deliveries to TET Bald Knob during this time.

This alert will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions concerning this Alert, please contact your scheduling representative.
