

New Information Posted on 11/4/25:

This update is being issued pursuant to Section 20, GT&C, of CEGT's Tariff, and shall constitute notice of Force Majeure under Section 8, GT&C, of CEGT's Tariff to notify all parties of an unplanned pressure reduction needed due to required maintenance on JM-1 that is associated with the ongoing integrity assessments previously posted.

Due to the pressure reduction, effective immediately, **TGT Helena (MP: 801530)**, located in EGT's North Pooling Area, **will be limited to a net delivery of 70,000 Dth/d until further notice.**

Based on current nominations, EGT does anticipate impacts to its Primary Firm Services.

New Information Posted on 10/10/25:

The maintenance is now expected to continue until further notice. All other details from the previous posting (Critical Notice #6143) remain unchanged.

Previous Information Posted on 9/3/25:

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line JM-1 in the North Pooling Area beginning Monday, October 13th , 2025, with an expected completion date of Thursday, October 30th, 2025, at 09:00. During this maintenance, a series of integrity digs will be conducted along EGT's Line JM-1. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice. This alert will remain in effect until further notice and will be updated as more information becomes available. If you have any questions concerning this Alert, please contact your scheduling representative.
