

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of unplanned maintenance on EGT's Line JM-7 in the North Pooling Area beginning **Monday, September 21<sup>st</sup>, 2026**, with an expected completion date of **Saturday, September 26<sup>th</sup>, 2026, at 09:00**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line JM-7. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

If you have any questions concerning this Alert, please contact your scheduling representative.
