

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line O-1-O beginning **Tuesday September 2nd, 2025**, with an expected completion date of **Wednesday October 1st, 2025, at 09:00**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line O-1-O. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

This alert will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
