

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line OM-1 beginning October 17th, 2022, with an expected completion date of October 21st, 2022.

During this maintenance, a series of integrity digs will be conducted along EGT's Line OM-1. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

This alert will be updated should more information become available throughout the series of digs.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
