Previous Information Posted on 8/20/25:

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify its Shippers of upcoming maintenance on its Line OM-1, located in EGT's North Pooling Area beginning **Tuesday, August 26th, 2025**, with an expected completion date of **Wednesday, September 3rd, 2025, at 09:00**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line OM-1. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

This alert will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
