

New Information Posted on 6/17/26:

The maintenance is now anticipated to last through **Tuesday, August 25th, 2026 at 9:00 a.m.** All other details from the previous posting (Critical Notice #6336) remain unchanged.

Previous Information Posted 3/11/26:

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of planned maintenance on EGT's Line OM-1 in the North Pooling Area beginning **Monday, April 13th, 2026, at 09:00**, with an expected completion date of **Friday, June 5th, 2026, at 09:00**.

During this maintenance, a series of integrity digs will be conducted along EGT's Line OM-1. Be advised, there is no capacity impact associated with the integrity digs, but should a determination be made that a repair is necessary, there could be a capacity reduction associated with the repair. Depending upon the nature of any required repair, the announcement of a capacity reduction could come at short notice.

This alert will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions concerning this Alert, please contact your scheduling representative.
