The following was posted on MRT's EBB:

This System Protection Warning (SPW) is being issued by MRT and shall constitute notice of Force Majeure due to unplanned maintenance at MRT's Perryville Compressor Station located in Ouachita Parish, Louisiana. The unplanned maintenance will begin **Tuesday, December 8th, 2026**, with an anticipated completion date of **Wednesday, December 9th, 2026, at 09:00.**

During this maintenance, primary firm services nominated through Perryville Compressor Station will be scheduled to approximately **75-85% of MDO** quantities during the entire outage.

MRT will schedule nominations to the available capacity in accordance with its Tariff. This System Protection Warning (SPW) will remain in effect until further notice and will be updated as more information becomes available.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
