

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify its Shippers of upcoming maintenance on its Line OM-1, located in EGT's North Pooling Area. As part of EGT's integrity management plan, a series of integrity digs have been scheduled to begin 9:00 a.m., November 4th, 2022 with an anticipated completion date of November 15th, 2022 at 9:00 a.m.

To ensure the safety and integrity of the pipeline, we will be taking the following scheduling actions:

- MP # 811005 SWEPCO Harry Mattison will be limited to 24 hour ratable burns.
- MP # 801539 Southern Star @ Jane Delivery nominations will be scheduled to zero.
- MP # 805091 Southern Star @ Jane Receipt will be available to nominate supply from.

Based on current nominations, EGT does expect impacts to its services on Line OM-1. EGT will schedule nominations to the available capacity on each impacted day in accordance with its Tariff. This alert will remain in effect until further notice.

If you have any questions concerning this Alert, please contact your Scheduling Representative.
