

Enable Oklahoma Intrastate Transmission, LLC (EOIT): Unplanned Maintenance

Update – May 10, 2022

As a result of the unplanned maintenance impacting EOIT's Line 1 and Pink Compressor Station, Firm West to East transportation services may be impacted beginning with gas day May 12, 2022.

Original Posting – May 9, 2022

This notice is to inform all parties of unplanned maintenance impacting EOIT's Line 1 and Pink Compressor Station beginning May 9, 2022. EOIT does not currently have an estimated date for completion.

Based on current nominations, EOIT anticipates reductions to Interruptible West to East transportation services during this maintenance period beginning with gas day May 10, 2022.

Please note, EOIT will endeavor to notify shippers as soon as possible of any changes regarding this event by updating this posting. We recognize the challenges associated with this outage and appreciate your cooperation and understanding. If you have any questions, please contact your Marketing Representative.
