

This Operational Alert is being issued pursuant to Section 20, GT&C of EGT's Tariff to notify all parties of unplanned maintenance required at EGT's Round Mountain Compressor Station, located in Conway County, Arkansas and in EGT's North Pooling area. The maintenance will begin on **Tuesday, October 6th, 2026**, with an anticipated completion date of **Saturday, October 10th, 2026, at 09:00.**

Based on current nominations, EGT does not anticipate impacts to its primary firm services. However, unforeseen issues, including, but not limited to, nominations, weather conditions, storage needs, etc., may result in scheduling reductions. In the event that unforeseen issues do occur, EGT will evaluate nominations, on a case by case basis, based on daily operations to alleviate impacts to the extent possible. During this planned maintenance, shippers should nominate from their contractual MRO location to reduce risk of scheduling reductions. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
