

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify shippers of maintenance at Ruston Compressor Station located in Lincoln Parish, Louisiana and in EGT's South Pooling Area.

This maintenance will begin **Monday, March 31st, 2025**, and is expected to be completed by the end of the day **Friday, April 4th, 2025**.

During this maintenance, Perryville Hub will be limited to primary firm delivery obligations only. However, unforeseen issues – including but not limited to – nominations, weather conditions, storage needs, etc., may result in scheduling reductions to primary firm services. In the event that unforeseen issues do occur, EGT will evaluate nominations, on a case-by-case basis, based on daily operations to alleviate impacts to the extent possible. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Customer Solutions Representative.
