

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify its Shippers of upcoming maintenance on its Line S-3-S, located in EGT's South Pooling Area. As part of EGT's integrity management plan, an MFL pig run has been scheduled for 9:00 a.m., June 30<sup>th</sup>, 2022.

Based on current nominations, EGT does not anticipate impacts to its primary firm services. Secondary and Interruptible deliveries in the South Pooling area that are sourced from the West 1, West 2, Neutral or North Pooling areas could be impacted.

EGT will evaluate nominations on a case by case basis, based on daily operations to alleviate impacts to the extent possible. During this planned maintenance, shippers should nominate from their contractual MRO location to their contractual MDO location to reduce risk of scheduling reductions. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations, if needed, on each impacted day in accordance with its tariff. This alert will remain in effect until the completion of the maintenance.

If you have any questions concerning this alert, please contact your Scheduling Representative.
