

New Information Posted 10/2/22

The unplanned maintenance at EGT's Vernon Compressor Station has been completed. Critical Notice #5053 is hereby terminated.

Previous Information Posted 10/1/22

This Operational Alert is being issued pursuant to Section 20, GT&C, of EGT's Tariff to notify shippers of unplanned maintenance at EGT's Vernon Compressor Station on Line CP.

Effective immediately, with an undetermined completion date, EGT will conduct unplanned maintenance on its Vernon Compressor Station, located in Jackson Parish, LA and in the CP Pooling Area.

Based on current nominations, EGT is anticipating impacts to its services.

During this unplanned maintenance, shippers should nominate from their contractual MRO location on their Firm Agreement to reduce risk of scheduling reductions. Should any of the details of this posting change, EGT will notify its shippers and update this notice accordingly.

EGT will schedule nominations on each impacted day in accordance with its Tariff. This alert will remain in effect until further notice.

If you have any questions concerning this alert, please contact your Customer Solutions Representative.
